Chapter 7 lesson plan

I. College Classroom of 18 students.

II. Diversity

III. Students will be able to assess the European culture and be able to participate in the games.

IV. Good Morning class. Today we are going to teach you guys about the European culture.

(Morgan) To start we are going to name European countries and see how many we can name. (Write names on the white board of countries the students shout out.)

(Kayla) bring up the Prezi presentation and go over the countries to compare with the ones everyone answers on the board.

(Steve) Go over the history of European culture.

(Morgan) Introduce the video of European history.

(Kayla) Go over the stereotypes.

(Steve) Compare and get the opinion of the class on who is the illegal. Go over the article snippet of illegals.
(Morgan) Go over the religion of European countries.

(Kayla) Show the videos

(Steve) European Americans today then continue on to the activity of name that flag. Each student will receive either a country or its flag. They are to match up with each other to get the correct combo.

**Materials:** Elmo, YouTube video, Prezi, white board, and projector.

V. Talk about as a group what each European country.

VI. Everyone should understand the presentation and the videos will help for the different type of learners.

VII. Come together to match flags to the correct country.
